

# ASHLEY GIRALDO

FULL-STACK WEB DEVELOPER

---

TO WHOM IT MAY CONCERN,

As an enthusiastic web developer with a strong passion for creating exceptional user experiences, I believe that my skills, education, and drive make me an ideal candidate for this role. With a degree in Public Relations and completion of the UCF Full Stack Bootcamp, I have acquired a comprehensive understanding of both technical development and effective communication strategies. My training in full-stack web development has provided me with expertise in the MERN stack, including proficiency in MongoDB, Express.js, React, and Node.js, along with the ability to work on all aspects of the development process.

During the bootcamp, I had the opportunity to collaborate on several team projects, honing my skills in teamwork, communication, and version control using Git. Additionally, I completed numerous functional homework assignments that allowed me to apply my knowledge and develop practical solutions.

What sets me apart is my dedication to delivering high-quality work and my continuous drive for improvement. I am highly motivated, detail-oriented, and adept at problem-solving. I thrive in fast-paced environments and excel in collaborating with cross-functional teams to deliver innovative web solutions.

In my previous experience, I have successfully built and maintained websites, created engaging social media content, and implemented SEO strategies to drive traffic and increase brand visibility. I am confident that my technical skills, coupled with my strong communication abilities, will enable me to effectively contribute to all goals and objectives.

I am excited about the opportunity to join the industry and contribute to its success. I am eager to bring my expertise, enthusiasm, and passion for web development to a dynamic team. I am confident that my dedication to continuous learning and staying up-to-date with the latest industry trends will make me an asset to your organization.

Thank you for considering my application. I would appreciate the opportunity to discuss how my skills and experiences align with your needs in more detail. Please find attached my resume for your review. I look forward to the possibility of discussing how I can contribute to your mission and vision.

SINCERELY,

ASHLEY GIRALDO

### PROFILE

As a web developer seeking my first professional opportunity, I am equipped with a solid foundation in web development and a strong passion for creating innovative online experiences. Graduated from UCF with a degree in Public Relations and completion of the UCF Full Stack Bootcamp, I bring a unique blend of technical skills and effective communication strategies. With a proactive and adaptable mindset, I am eager to contribute to a dynamic team, learn from experienced professionals, and apply my knowledge to develop high-quality websites that drive user engagement.

### WORK EXPERIENCE

#### Full-Stack Web Developer

UCF Full-Stack Bootcamp 2023

- Completed a comprehensive UCF Full Stack Bootcamp, gaining proficiency in the MERN (MongoDB, Express.js, React, Node.js) stack and all its components.
- Participated in collaborative projects with fellow students, practicing teamwork, communication, and version control using Git.
- Successfully completed numerous functional homework assignments, demonstrating competence in implementing various web development concepts and techniques.
- Developed full-stack applications using the MERN stack, showcasing skills in front-end and back-end development, database integration, and deployment.
- Utilized agile methodologies, such as Scrum or Kanban, to effectively manage project timelines and deliverables during the bootcamp.
- Engaged in peer code reviews, providing and receiving constructive feedback to enhance code quality and improve programming skills.
- Demonstrated adaptability and a strong work ethic in a fast-paced, immersive learning environment, continuously acquiring new knowledge and refining problem-solving abilities.

### LEASING PROFESSIONAL

EPOCH Residential 2020-2022

- Developed and implemented social media strategies to promote the property, increase brand awareness, and drive traffic to the website.
- Created visually appealing and informative social media content using graphic design and image editing tools to attract and engage the target audience.
- Maintain a thorough understanding of property features, market trends, and competitor analysis to effectively communicate the unique selling points of the property.
- Deliver exceptional customer service by addressing inquiries and resolving tenant concerns promptly and professionally.
- Plan and execute events to attract new residents, foster community engagement, and promote resident retention.
- Provide information on available units, conduct property tours, and assist with lease agreements.
- Collaborate with property management teams to ensure the overall success and profitability of the leasing operations.
